

Learn6

Experience Work.
Digitally!

Call Centre Training Simulators

Highly Immersive

Induce the same level of stress and anxiety as experienced while taking that first call on the floor. Real life first person play.

Fully Customized

Your processes, our engine, your simulator.

Plug-n-play Competencies

No difference in on-floor and training metrics.

Advanced Analytics

Know your strengths and weaknesses.

Virtual Mentor

Run simulators in training and assessment modes.

Fast Delivery

Rapid assembly and deployment.

State-of-the-Art

Developed using state-of-the-art Learn6™ framework.
